LWML meeting dates are the first or second Wednesday of the month at 10:00 am in the PAC building next to the parsonage. Look for set dates in the newsletter, bulletin and church announcements.

Our LWML is in the process of adapting and changing to be more welcoming and available to everyone. We want to make the meeting times and dates flexible so more women can attend. So let us know what fits your schedule.

Our meetings are "conversational" at this time and do not follow any standard "rule of order." All women of the church are welcome and encouraged to come and join us. It's a fun time to get to know fellow women in the church and develop closer relationships with women of all ages. The style and agenda of our meetings is also open to change.

LWML is active in service projects, missions, and support of the national, district and zone groups. We also work to support our church, our pre-school, bible studies, and other church and community projects.

As we change, in one thing we remain the same: as members of the LWML (Lutheran Women in Mission), we always strive to "Serve the Lord with Gladness".
